History and Mission

Brandy and Agustin (“Augie”) Cruz are the owners for Brandy’s Bunch Early Learning Center (Brandy’s Bunch). They have four children: Armando, Aubrie, Natalia and Gabriella. Augie and Brandy have been married for eight years and Brandy has been running an in-home daycare for the past five years. Brandy and Augie have had a dream of running a family oriented childcare center for many years. In January, 2011, they approached Christ’s Place Church with their idea and before long their dream blossomed into a reality.

Brandy serves as the Director of Brandy’s Bunch. Her love for children and watching them grow and learn is undeniable.

Our Mission at Brandy’s Bunch Early Learning Center is to create a family-like environment where your child can blossom into their own little person. We offer Christian Values and teachings with our curriculum, while encouraging creativity, learning and independence.

Non-Discrimination Policy

Children will be enrolled for care at Brandy’s Bunch regardless of race, gender, religion, national origin or disabilities.

Parents who have children with disabilities are welcome to schedule a special meeting with the Director to access the needs of their child and to see if our center can meet those needs both physically and mentally. If we don’t currently meet those needs, we are happy to look into what changes may need to be made and whether we can accommodate those changes or special needs.

Program Philosophy

Brandy’s Bunch provides a safe and secure environment for children to grow during the most important time of their development. Brandy’s serves children 6 weeks to 6 years. Our center offers a home away from home, providing children with “siblings” of all ages to play, socialize, and learn from. Our goal in providing quality childcare is to offer:

- ☺ A safe environment
- ☺ A nurturing environment
- ☺ A learning environment. Learning is not necessarily the ABC’s and 123’s, it is also the learning of values. The learning of honesty, respect, self-reliance, and potential, self-discipline, and moderation, the values of being; dependable, love, sensitivity to others, kindness, friendliness and fairness are the values of giving.
- ☺ A proper approach to discipline. Since children occasionally need discipline, it’s important that teachers and parents share a similar philosophy so your child is not confused about boundaries and expectations. Children are taught which behaviors are inappropriate, and why, and given alternatives that are acceptable. In this way, the behavior is being changed, without making the child feel “bad” or unloved. This helps develop their self-esteem, and teaches them how to handle difficult situations themselves in the future.
 - Teachers may express their disapproval with a child’s behavior but do so without attacking character.
 - Teachers will state their expectations and show your child how to make amends.
 - Teachers give choices, and in extreme situations a child may be given a “time out”; because at times a child may be having trouble making choices of their own and they just may need a couple of minutes to calm down, and think about their choices.
- ☺ And to foster unconditional love. This kind of love is very important to Brandy’s Bunch because children should not grow up feeling that in order to be loved and cared for they must meet numerous conditions.

Communication is key to a successful childcare arrangement. At Brandy’s Bunch, parents and staff need to have a good working relationship so we can communicate and work together. Parents and teachers need to exchange pertinent information in your child’s life, such as changes in routine, special events, or activities, as well as major life changes like death, divorce, separation, moving, visitors, etc. All this information can be important in understanding your child’s feelings, behavior, and well-being.

We invite you to share with us in writing, by telephone, or by scheduling an appointment to talk about your concerns. We have an “open door” policy and will do our best to ensure your experience with us is the best experience possible.

Hours of Operation

- Monday through Friday, 7:00 am – 5:30 pm
- We will be closed during **inclement weather**. When **Lincoln Public Schools (LPS)** are closed due to weather, we will be closed as well. Please check our website or call the center for current closing status.

The following days are paid holidays. When these holidays fall on a weekday, we will be closed. In the event that the holiday falls on the weekend, the center will be closed the following Monday. (i.e. if Christmas is on Sunday then the acknowledged Federal holiday is Monday December 26th.) Please check for notices regarding closings on these holidays:

- New Year's Day
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving Day and the Friday after
- Christmas Eve and Christmas Day

Brandy's Bunch reserves the right to close for any reason in which we cannot operate in a safe manner (i.e. loss of electricity, water, heat or in extreme loss of air conditioning). No adjustments will be made to tuition based on weather, illness or other circumstances beyond Brandy's Bunch control.

Rates and Fees Changes

- ❖ **Annual Registration Fee:** \$75 per child or \$100 per family. This fee is due upon enrollment *and* January 1st of each year thereafter. This small yearly fee helps ensure that our preschool curriculum and Christian supplement program is of the highest quality and helps us invest in a curriculum for ALL ages.
- ❖ Rates are based on Age until a child moves to our Preschool Room, and then rates are by classroom.

 - Walkers (18 months to 24 months): \$200 weekly
 - Toddlers (2 year to 35 months): \$195 weekly
 - Preschool (putty trained 3yr olds to 4½ years): \$190 weekly

 - Summer Camp and School Breaks \$150 per week
 - Daily Rate \$30 a day * ONLY applied when school is out for a single day or two (School breaks, Summer Camp must be paid at weekly rate regardless of the # of days attended)

**A school age student is defined as a student who IS or HAS attended elementary school grades K-5.*

Part Time Care

- Infants (6 weeks to 18 months): *Part time care for infants is not available due to the low classroom ratios and high cost for quality teachers.*
- Walkers (18 months to 24 months): \$131 weekly 3 day care only
- Toddlers (2 year to 35 months): \$86 weekly 2 day care; \$125 weekly 3 day care

Rates and Fees Changes Continued

- ❖ Transportation Fee: There will be a \$25 per month transportation fee charged to all School Age Children for field trip transportation during Summer Camp June, July and August. This fee will be due on the 1st of each month.
- ❖ Sibling discount: We provide a \$15 weekly discount on the tuition for the oldest child in care. Due to the high cost of running a quality childcare center and the significant discount to part time children, sibling discount rates are only available to full time students.
- ❖ Late Pickup: If a parent is going to be late, every effort must be made to contact Brandy's Bunch first. If a parent does not contact Brandy's Bunch PRIOR to being late, their account will be charged a \$10 fee for the first 1 to 15 minutes they are late. An additional \$1 will be added to their account for each minute they are late after that. If you have more than 5 late occurrences in a 6 month period, childcare may be terminated. If contact with parents cannot be made, emergency contacts on file will be called at 6:00 pm (Brandy's Bunch closes at 5:30 pm).
- ❖ Returned Check Fee: Checks that are returned NSF to our account will be charged a \$35 fee. Family accounts with two NFS incidents will be required to pay by money order.
- ❖ Payment: Tuition is billed bi-weekly. Tuition is billed every other Monday and billed for the current week through the week coming. **Payment is due in full.** Family accounts that are not paid by Wednesday will be charged a \$25 fee. If payment is not received by Friday then your child will be unable to attend Brandy's Bunch the following week until FULL payment on your account is made.
- ❖ Referrals: Your family will be given a \$40 cash referral incentive for each family you refer to our center which successfully enrolls and has had their child/children in our care for 30 days.
- ❖ Absences for Title XX children: Families receiving Title XX benefits will be required to pay for any absences beyond the given 5 vacation days. These absences will be billed on a weekly basis and due each Monday.

Enrollment Procedure

- ❖ After touring the facility and hearing about our programs, you will be given the opportunity to enroll your child in Brandy's Bunch. You will be given an enrollment package which contains all the necessary paperwork. Upon receipt of this completed paperwork, your child's up-to-date immunization records, and payment of our registration fee, your child's spot will be held. You will be given two weeks to begin care, unless other arrangements have been discussed.
- ❖ Once your child is enrolled, you will be oriented to our drop off and pick up procedures. Any persons picking up that staff does not know will NOT be granted access to our classrooms, which are always locked, without speaking to a supervisor first. If a person's identity cannot be verified on our system they will NOT be granted access to the classrooms.

Probationary Period

A two week trial period is given to both parents and Brandy's Bunch from the date child care begins. This allows both parties two weeks to decide if Brandy's Bunch is a good fit for the child. If the childcare arrangement is not mutually satisfactory, either party can terminate this agreement with a 1 (one) day notice – any moneys already paid are non-refundable.

Termination of Contract

- ❖ The parent/guardian will give two weeks written notice, and two weeks full payment to terminate your child's enrollment in childcare, regardless as to whether your child is present (with the exception of the trial period). If a two week notice is not given, you are still financially obligated for the two weeks of child care fees and late payments.
- ❖ Brandy's Bunch reserves the right to terminate care at any time including but not limited to non-payment, failure to respect our staff and facility, behavior of a child which is harmful to the physical or emotional well-being of the other children, or failure to abide by our policies.

Child Absence Policy

- ❖ Parents should call Brandy's Bunch prior to 9am if their child is going to be absent. This helps us to ensure we prepare the proper number of meals and can plan each day appropriately based on the number of children in care.
- ❖ Regular weekly rates are still due regardless of the child's absence due to illness or vacation.
- ❖ Each Full time family is given a week (5 days) per child to be used as unpaid days. These days may be used as parents/guardians see fit and may be used one at a time or all at once.

Absence Policy for Children on Title XX

If your child is Full Time receiving childcare through the State of Nebraska, Title XX, you are entitled to a week (5 days) per child to be used as unpaid days. These days may be used as parents/guardians see fit and may be used one at a time or all at once. After your child has used their week (5 days) of unpaid days, you will be billed for any other days your child is not in attendance. Brandy's Bunch relies on income from all children in care to run our facility and provide quality teachers and learning materials. The state pays Title XX only when your child is in care, thus if your child does not come the days/hours they are authorized for, it is hard for our facility to budget and plan appropriately. You will be given a bill for the days your child was absent. You will have three days from the billing date to make payment. If payment is not received by the third day, a \$25 late fee will be accessed. If your bill is not paid by the end of the fifth day, your child will no longer be accepted into care until your bill has been reconciled.

Child Illness Policy

- ❖ ***Always inform your doctor at every sick visit that your child is in a childcare center so that he/she can provide authorization, in writing, that your child can return to care or inform you if your child has a communicable illness that necessitates the need for Brandy's Bunch to notify other enrolled families. (Your family/child's name will always remain confidential).***

- ❖ **“Reportable” Diseases: Any Child diagnosed (by a doctor) with any of the following diseases must report the illness to a supervisor at Brandy's Bunch immediately upon diagnosis. Brandy's Bunch will in turn notify parents in one of the following ways: by phone, in person or by letter. The child's identity will remain anonymous but Brandy's Bunch will post an outbreak on the Community Room door with the number of affected children. This procedure is based on State Regulations.**

Medical Injury or Emergency Policy

Brandy's Bunch staff will supervise all children closely in an attempt to prevent injuries, but please remember that accidents resulting in injury do occur. All staff members, including the Director and Assistant Director, have been trained in first aid and CPR.

For minor injuries (requiring only a Band-Aid or ice), staff will fill out a "Boo-Boo Report" to accompany your child's daily notes or in their pick up slot. For serious injuries, the Director or Assistant Director will call you and may even suggest that you take your child to the doctor or emergency room. For very severe injuries, Brandy's Bunch will call 911 for assistance before calling you. If you cannot be reached, persons on your emergency contacts list will be contacted. (Please remember to keep this card up-to-date. Brandy's Bunch will update all parent files annual, in January).

Parents are responsible for costs involved in emergency medical treatment unless it is a result of negligence on the behalf of Brandy's Bunch or their staff.

Emergencies

- ❖ **Fire:** There are two fire extinguishers located in the center as well as sprinklers in each childcare room and all hallways. If there is a fire, the children will be evacuated immediately before calling 911. Center staff and children will practice fire drills monthly to ensure everyone is prepared in the event of a real fire.
- ❖ **Tornado:** In the event of a tornado warning, children and staff will gather in the designated bathrooms. We will sit on the floor together until the inclement weather has passed and all is safe. Tornado drills will be practiced monthly from March to September.
- ❖ **Power Outages:** There are emergency lights located throughout the entire facility and we have flash lights for each room. If the power remains out, parents will be notified after 1 hour. If the power does not come on within 1 ½ hours all parents will be called and asked to pick their children up. This policy is in place for the safety of all children; without power our facility cannot properly function as a safe environment for your child.

Security

- ❖ All doors to enter the rooms of the childcare classrooms will remain locked from the outside; however they can be opened by an adult from the inside if there is an emergency.
- ❖ Access to classrooms will not be granted to anyone who is not known by staff.
- ❖ Our office computer contains childcare software that allows us to track all children in our facility and track what persons are authorized to pick up each child. All parents and children will have a photo taken at the time of registration to upload into our childcare software. This system helps us to ensure that all children are picked up by authorized persons only.
- ❖ Each classroom has several security cameras. These videos are not available for public use but will be viewed if a question for concern is raised by staff, parents, visitors or children. Our security cameras are in place to protect both children and staff members.
- ❖ ***If at any time you have questions or concerns about the safety of your child or our facility, please contact Brandy Cruz immediately. The safety of all persons in our facility is a top priority at Brandy's Bunch and ALL concerns will be dealt with in a timely manner and taken seriously.***

Daily Procedures

Pick up and Drop off

- There is a Sign In and Out list on the cart in the entrance hallway. Please write the time in under your child's name and your initials when you drop off. When you pick up please write your child's time out and sign for the time records for that day. Names are listed alphabetically.
- . *Please note there are 4 in and out spaces available for the children who are picked up and dropped off twice for appointment or other things.**

Activities

- Each day our teachers will have planned a variety of fun and interactive activities for your child. We do try to keep our schedules flexible so that we can respond and adapt to the needs of the individual children and day. Teachers will meet with the Director every Thursday to go over the weekly teaching plan for the following week.
- Every child will be encouraged to participate in our daily learning schedule; however no child will be forced to participate in any one activity. If a child continues to show lack of interest in our scheduled activities, parents will be notified and a meeting can be arranged to assess the needs of that individual child.
- Our day will include outdoor play, when the weather permits, and indoor "gym" time. During these times, we will be encouraging active play and lots of movement. Please be sure to dress your child appropriately, keeping current weather conditions in mind.
- All art supplies will be washable but please do not send your child in clothing that you do not want stained. Our center is a learning and hands-on facility so children may get dirty as they will be encouraged to investigate nature and the environment around them.
- There are no televisions available for viewing in our center with the exception of our monthly Pajama Day when we will view an age appropriate movie.

Scheduled Special Events

- ☺ Show and Share (2 year – Pre-K): Each Friday, every child is allowed to bring a favorite toy, picture, blanket, etc. We will have circle time and tell our friends about the item we brought, and then we will share and let our friends have a chance to see our special item.
- ☺ Pajama Day (ALL ages): On the last Friday of each month, children may wear their pajamas and/or slippers to daycare. We'll enjoy a movie and play lots of fun games.
- ☺ Holiday Celebrations: We honor all major holidays and will have a themed party for the corresponding holiday. If you wish for your child to not participate, please let us know and we will be happy find other things for your child to do during this time.
- ☺ Birthday Celebrations: We will celebrate each child's birthday. If you would like to bring a special treat for the children please let your child's teacher know in advance. Please bring an appropriate snack, not gum, candy, pop, etc.

Our Teachers

At Brandy's Bunch we pride ourselves in giving individual attention to each child and keeping our teacher to student ratios lower than average. All of our teachers are handpicked by Brandy and Augie Cruz. Each teacher is required to complete a full background check before they are hired, in addition to being checked against the Child Abuse and Neglect Registry. Our head teachers for our Preschool and Pre-Kindergarten rooms are required to have an Early Childhood Education degree. All assistant teachers are required to be studying Early Childhood Education or have at least two years' experience working with children.

Classroom Ratios

Room	Teacher	Student	Maximum # of Students
Infants	1	4	8
Walkers	1	4	8
2 Year Olds	1	6	12
Preschool	1	10	20
Pre-K	1	12	20

Parent Involvement

- Parent teacher conferences will be held twice a year (August and January) for any parents wanting to know their child's progress in class. A reminder will go out a few weeks before conferences and a sign-up sheet will be posted by the childcare entrance.
- Parents are encouraged to come and visit their child at any time their child is in our center.
- Kids love to have their parents join them for lunch! If you'd like to join your child for lunch, please give us a week's notice so we can be sure to have enough food for you. Lunch price for an adult is \$2.00; this can be paid that day or added to your tuition bill.
- Parents may call the center at any time. If we do not answer please leave a message and we will call you back as soon as possible.
- Any news or announcements will be published in our quarterly newsletter. A reminder will also go home in your child's cubby or backpack. There will also be a white board located next to the main childcare entrance where we will post reminders.
- If you come across any fun ideas for crafts or fun themes we could do for a day, please email us or share it with your child's teacher. We love creative moms and dads!
- Parents are welcomed and encouraged to volunteer to help for a day or only a few hours. Speak with Brandy, our Director, and she will get things arranged with your child's teacher.

Supplies

All supplies should be labeled with your child's name and last initial. Due to the fact that our center is a rented space, which is used on a regular basis in the evenings and on weekends, ALL children need to have a backpack or diaper bag with the following items:

- Blanket and/or pillow for naptime (Children on sleep mats only)
- Complete change of clothing (All ages)
- Diapers/pull ups
- Wipes
- Breast milk or formula and any solids (6 weeks through 12 months)
- Bottle and pacifiers. Pacifiers must be clipped onto clothing to avoid sharing of germs. (6 months through 24 months)
- Any diaper cream, powder, etc. that you wish to be used

Diaper bags and backpacks will go home daily

Drop Off and Pick Up

- Please DO NOT leave your car running with the keys inside.
- When you are dropping off, your child is still YOUR responsibility until they have been dropped off with their teacher.
- When you are picking up, once you enter the classroom and make contact with the teacher they are YOUR responsibility. Please keep an eye on them as you exit and enter the building. We only assume responsibility for them during regular business hours, when you are not present.
- Your child must exit the center WITH you. Children are not allowed outside without supervision.
- Please do not allow your child to play near the vehicles or in the parking lot.
- No child will be allowed to leave with anyone except the parent, unless indicated on the alternate pick-up list, without VERBAL and WRITTEN permission from the parent or guardian.
 1. Telephone permission alone will not be accepted.
 2. Anyone unfamiliar to us and not in our family care system will be required to show proof of identification.
 3. Please make sure your alternate pick-up person(s) is aware of our requirements and procedures for pick-up.

- If the person picking up your child appears to be under the influence of alcohol or drugs, another authorized person will be called to pick-up both the child and the adult.
- If there is a court order keeping one parent or guardian away from the child, we must have a notarized copy of that court order in our files to that effect. Otherwise, we cannot prevent the non-custodial parent from picking the child up.

Discipline

- Guidance for Infants and Toddlers
 - Distraction away for the activity that is not desired by attracting the child to a better choice.
 - Ignoring the behavior, if it is not dangerous or causing someone else harm or to be in danger.
 - Removal of tempting items which are off limits.
 - “No” is a word that will be used sparingly and only when all other options have failed.
- Guidance for Preschool and Pre-Kindergarten Children
 - Brandy’s Bunch Rules will be recited daily in at the beginning of class and repeated if necessary.
 - The child will be given the opportunity to make the right choice; we may make suggestions on what that choice is.
 - If a disagreement is in progress between preschool aged children we will encourage them to resolve the issue on their own as long as no one is in danger. If the disagreement continues, a teacher or assistant may guide the children to help them find resolution.
 - When a child is using something inappropriately they will be asked how to appropriately use the object or asked to demonstrate appropriate use, then will be reminded why their action or behavior was not appropriate. (i.e. Teacher: “Jack do we stand on chairs?” Jack: “No.” Teacher: “Correct, we could fall and get hurt, please sit down on your chair.”)
 - Re-Think times will be used as a last resort and are a time for the child to sit in the classroom but away from the other children to “think” about their behavior and what the correct behavior is.
 - ◆ After a Re-Think time, the teacher will recap the negative behavior with the child and provide guidance on what the correct behavior or choice should’ve been and why. All Re-Think times will end with a hug so the child knows they are still loved and cared for regardless of their poor choice or behavior.

****At no time will a child be subjected to physical punishment or shaming. Frightening or humiliating methods will never be used nor will any type of verbal abuse, threats, derogatory remarks or deprivations of a meal or any part of a meal.**

****No child will ever be punished for toilet accidents.**

Biting Procedures

Biting is a natural development stage that many children go through. It is usually a temporary condition that is most common between 13 and 24 months of age. The safety of the children at the center is our primary concern. The center’s biting policy addresses the actions the staff will take if a biting incident occurs.

Toddlers bite other toddlers for many different reasons. A child might be teething or overly tired and frustrated. He or she might be experimenting or trying to get the attention of the teacher or his peers. Toddlers have poor verbal skills and are impulsive without a lot of self-control. Sometimes biting occurs for no apparent reason. The center will encourage the children to “use their words” if they become angry or frustrated. The staff members will maintain a close and constant supervision of the children at all times.

The following steps will be taken if a biting incident occurs at our center.

- The biting will be interrupted with a firm, “We don’t bite. Biting hurts.”
- Staff will stay calm and will not overreact.
- The bitten child will be comforted and given the teacher’s attention.
- Staff will remove the biter from the situation by placing the child in a “re-think” time, away from the other children.
- The wound of the bitten child shall be assessed and cleansed with soap and water. If it is determined that the skin was broken on the child who was bitten, parents will be notified with a telephone call.
- The parents of both children will be notified of the biting incident at pickup. Appropriate forms will be filled out (Incident Report and Boo-Boo Report).
- **Confidentiality of all children involved will be maintained.**
- The bitten area should continue to be observed by parents and staff for signs of infection.

Procedures for Children that Continue to Bite:

- If the same child has more than 2 bites a day and/or 4 bites in a week, the center will start a biting chart. If the biting does not improve within a week's time after the chart is started, a conference will be held with the parents of the biter, the teacher, and the Director and/or the Assistant Director.
- During the conference, the reasons the child may be biting will be discussed. The center and the parents will work together to adopt consistent disciplinary techniques to resolve the biting behavior.
- If after this conference the parents are not working with the center to improve the biting behavior or the problem is not improving after a 3-week period, the center reserves the right to terminate childcare for the safety of the other children and the staff.
- **A child that bites more than 2 times in a day will be sent home for the remainder of the day.**

Rest Period

- We will have a regular rest period from 12:00 pm to 2:30 pm each day. (Infants may vary.)
- A regular rest period is available to all students each day; however no child will be forced to sleep. All children will need to rest and remain quite for the children who are sleeping.
- Infants will sleep in cribs or pack and plays. If infants need to sleep in other places such as rock in plays, bouncy seats, swings, or propped up due to reflux a signed Doctors note will be required to be on file. Toddlers and older children will sleep on cots or mats.
- Children are encouraged to bring their own blanket, pillow or stuffed animal to sleep with during our rest period so they are more comfortable.

***Please try not to schedule pickups or visits during this time to lessen disturbances to the resting children.*

Toilet Training

- We will assist you in toilet training with the understanding that it will only be successful if we are working together.
- Clothing should be easy to manage to encourage your child's self-help skills.
- Each child should bring their own pull-ups.
- Children will be allowed to come to daycare in underwear only after they have been accident free for at least two weeks.
- When the transition has been made away from pull-ups, extra clothing should be brought daily in your child's backpack, in case of accidents.
- Soiled clothing will be sent home the day in a plastic bag.

Meals and Snacks

- Due to the seriousness of peanut allergies, our facility will be a **Peanut Free** facility. We will not offer peanuts or peanut butter in any form in our meals or snacks. If you bring your child's meal or a special snack to celebrate a birthday for your child please make sure it doesn't include any peanut products.
- We are committed to providing nutritious and well-balanced meals and snacks. Treat America Food Services will cater freshly prepared food each day. They follow CACFP (state food program) and USDA guidelines to ensure your child is having the healthiest meal possible.
- Monthly menus will be posted on our website.
- Meal schedules are as follows:
 - Breakfast:** 8:00 am to 8:30 am
 - Lunch:** 11:00 am to 12:00 pm
